Thank you for your purchase of a COVID-19 PCR Test Kit for

Please review this guide for what to expect next.

When you'll receive your test kit
Test kits are shipped the day after the order deadline closes via 2nd day overnight mail.
Please reference the table below for the specific date your kit is due to arrive.

When to Test
Your child will test on the **Wednesday** before camp begins. Please reference this table for specific dates.

How to Test
On your child's test date, follow the easy self-collection guide included in the test kit to collect your child's sample.

**IMPORTANT:** Test Kits are pre-registered to each individual. If you have multiple family members testing, make sure each tester uses the test kit from the package that arrived addressed to them. If you use the wrong kit it may be rejected by the lab!
Make sure the specimen tube is tightly sealed after the collection so it does not leak!

How to Ship it Back
Package up your child's sample using the shipping materials that arrived with the kit and be sure to drop off to the nearest FedEx location prior to their last scheduled pickup of the day. Schedules vary by location, please refer to your local store's schedule.

How to Get Results
You will receive an email notification from our lab partner, **Sema4**, when your sample arrives to the laboratory. Follow the simple steps in that email to create an account in the Sema4 patient portal.
Results will be available to you directly through the Sema4 lab portal.
